

Campus Closet is an iOS app available on the App Store on iOS 16. The released version on the App Store includes an approved but limited version. In order to view the most recent changes, it would be best to install the latest version of the app from Xcode while the newest version waits for review (estimated 1 day).

To install our latest App Store update:

1. Download "Campus Closet" from the App Store.
2. Browse the app as a guest or create an account with your Vanderbilt email.

To install our latest changes:

1. Clone this GitHub project and open it in Xcode.
2. Plug in your iOS device and press play. Ensure that developer mode is enabled on your iOS device.
3. The app will launch as a more recent version.
